DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE journey from the city of Buenos Aires, Argentina to Los Angeles, United States, TO THE VISIONARY SISTER LUCÍA DE JESÚS

God strengthens the hearts that respond to His call through tests and challenges, battles and difficulties, which forge fortitude and faith within.

It is in this way, children, that in the light of so many Graces received, the laws are balanced and those who receive everything from their Creator are called to give everything for Him.

God does not want to see you suffer, but He does need to allow the laws of this world to be fulfilled and that they guide you so that you may experience an ever deeper surrender of your lives.

In the face of the chaos of the world and the inner chaos, seek the spirit of peace and allow your consciousnesses to be focused outside of the dimensions of conflict that confuse the minds of humankind.

Through peace, your hearts, in times of such confusion and imbalance, will be able to attract Divine and Universal Laws and live the wisdom and discernment of the Spirit of God.

And so, children, do not forget to understand that the laws are fulfilled and all abundant Grace is balanced with sacrifice.

However, in difficulties, you can choose how to experience them. You can be in peace and united with the Divine Consciousness, and, in this way, not only keep your own consciousness in God, but also provide a service for this world that is confused and lacking balance and harmony.

I bless you. I place you under the protection and the peace of My Chaste Heart.

The Most Chaste Saint Joseph
