DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN REDWOOD, CALIFORNIA,, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Series: The Sequoia Trees - Part III

These giants of nature hold a mystery within them that humanity still has not come to know, but which was indeed known by the original peoples of North America, who knew the science and philosophy of the Sequoia trees.

This mystery is that the Plant Kingdom, just as the other Kingdoms, are witnesses of all that the planet has experienced, and they are also the living receptacle of much knowledge and many legends that the original peoples themselves contacted.

The Sequoia trees elevate the third-dimensional mental consciousness. That is to say, their presence in the United States, and throughout the rest of North America, as great coronaries of the planet, transmutes the primitive thoughts of the current humanity.

They behave in this way, as collectors of significant cosmic energies, such as equilibrium, harmony and universal peace.

They are sources of impulses that generate and attract healing and redemption to the planetary psyche and, as a result, to individuals of these times that need to shift from the archaic mental plane to the evolutionary cosmic mental plane.

The Sequoia trees help in this transition. This is why their characteristics and dimensions are so vast.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
