DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Before His daily Apparition, the Master appeared walking in an indigenous community in Brasilia, DF, Brazil. He was helping and supporting the original peoples; after that He came to us and transmitted His message.

Dear brothers and sisters:

You know that, now and always, the entire humanity forms part of the incalculable source of My Divine Mercy.

Today My Heart wants to pour out Its Graces, not only in the entire world but also, in a special way, upon all the original peoples that have appeared since the beginning of the project of God.

With such a goal, today I give you a new exercise of devotion, which will assist in conserving and protecting the spiritual and loving culture of all your original brothers and sisters. They too, at this time, are deserving of My Divine Mercy. All the religious and devotees that will pray this devotional will be able to channel many Graces over the consciousness of all these peoples. Spiritually they are in need of recovering their identity before God, the identity and the purity that was interfered with by the modernities of today's world.

For this, I ask you that the Sacred Devotional to the Heart of Jesus for the Indigenous Consciousness be prayed fervently on Mondays, Wednesdays and Fridays, and especially on Wednesdays, together with the prayer of the Five Sacred Wounds. This will have important spiritual repercussions in Heaven and I promise to be attentive to the voice of your supplications.

This Sacred Devotional has the goal to protect, through the Sacred Heart of Jesus, all the original consciousnesses, the ones that you call the Indigenous Consciousness.

Since the origin, when I was on Earth, the Father trusted Me with the revelation about the existence of all these brothers in the Americas. After My Work in the Middle East I made the promise to bring My Mercy to the Americas with the goal that this continent be consecrated to the Immaculate Heart of Mary.

This devotional may be prayed as many times as the soul feels the necessity to unite herself with My Purpose of salvation of this Sacred Indigenous Consciousness. Now you shall exercise the devotional in the following manner:

**Sacred Devotional to the Heart of Jesus

Have a good experience of love and of prayer for your brothers and sisters.

Under the Grace of God, be blessed.

Thank you for responding to the command of My Heart,

Christ Jesus.

At the end of the message we asked the Master "why so many tasks of prayer for all of us?"

Christ answered:

"With so many prayers transmitted, they are proportional to the necessity of light on the Planet."
