DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The ocean of My Divine Mercy is greater and more powerful, stronger and more invincible than the Passion that I lived on the Cross for all of you; this ocean of Graces is prodigious and compassionate, principally for those who have fallen walking the path of the consecration and of the absolute surrender to God.

Every day I open this sacred source before your eyes, so that you may recognize it as the only way out for this time of chaos. For those who in truth dedicate devotion to the unfathomable Source of My Mercy know that I will not abandon you. My Steps of light will follow you until the hour of death and after this life, in the next world, I will give you the offer of eternity, of paradise.

For those who listen to My words, that they may keep them in their hearts, because they will serve as fortress and shield for definitive moments. That no one may fear for being purified, because in order for My New Wine to be deposited, the old wineskin must be polished and restored by My Hands, in this way I will be able to count on consciousnesses redeemed by My Sacred and Invincible Christic Light.

Under the Love of God, be blessed.

Thank you for listening and for living My Teachings!

Christ Jesus
