DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN the city of Tusayan, Grand Canyon of Colorado, Arizona, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Like the water flowing into the Colorado River, today I pour out a spring of Grace, Mercy and Pity upon the great consciousness of the indigenous fraternity so that its remnants upon the surface, all the descendants of the great tribes of North America, may receive the spiritual help they need in order to be able to preserve the values of their spirituality and of their contact with nature and the Universe.

For this, the great coyote of the south, as well as the eagle, send their spirit of love, just as the bear of the forests of the west and the White Buffalo of the north of America unite to protect and safeguard the sacred roots of a legacy that was dismissed with the arrival of the white man. But this legacy is held latent in the Inner Chambers of the planet.

May the peoples of North America stand up, and again feel in their hearts the sacred energy of the Universe, which impels them and elevates their consciousnesses.

Through the Kingdoms of Nature, may the relics of indigenous knowledge someday be recognized by humanity so that it too may recover the values it has lost.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
