DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF TUSAYAN, ARIZONA, UNITED STATES, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Child, trust in what God is building within your consciousness and in your heart with each test and challenge.

Trust that your spirit will be strengthened as you cross the limits of your weaknesses and see your own faith grow.

Trust that from you, your Creator only needs a surrendered heart, ready to experience His miracles, ready to carry the weight of His responsibilities, ready to experience the fulfillment of His Plan.

Trust that from your miseries emerges a perfect potential for love, just like your creation emerged from clay, when you allowed the Divine Breath to touch your spirit. Let this Breath again fill your heart, and trust that a new life emerges each day within you, each time you open your heart to breathe that breath that comes from the Heavens.

Trust that the Plan of God within you and within this world will be fulfilled.

Trust, My child, that each stone on the path was placed with love, for in each of your leaps, the Hand of God is guiding you to a new level of your transformation.

Trust that there is a God hidden and living in your heart and that, from one moment to the next, He will reveal Himself through you.

Trust, and let your trust change into faith, and let your faith change into a doorway toward the new time and the new life.

You have My blessing for this.

The Most Chaste Saint Joseph
