Prayer of the Guardian Angel

On December 13, 2012, the Virgin Mary said:

"Awaken, on this evening, to the existence of a Kingdom of God, awaken to the companion who is beside you all the time, this Guardian Angel who brings to your lives a little piece of Heaven. Through this Divine Presence, allow the energy of My Kingdom to enter your lives.

Today, the Guardian Angels accompany you. I invite you, on this evening, to the prayer of the heart together with the Guardian Angels.

The Father has granted me to teach you a prayer. Repeat, with the heart, what I proclaim to you today."

Prayer to invoke our guardian angels.

Guardian angel,
faithful shield of God,
take from my being all evil,
for love and glory to God.

Amen.
