DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My patient Heart is comforted by the young hearts that offer their lives for Me and, although they are not conscious of the value this has for Me, I always give them an impulse for the renewal of their senses and forms.

Within the young lives that consecrate themselves to Me, I deposit My precious codes of ascension and transcendence for them to reach new spheres of consciousness and maturity.

My Heart is comforted because through the younger ones that consecrate themselves to Me completely, I can realize the planes of My Work without obstacles and everything renews itself as many times as necessary.

Through the young ones that consecrate themselves, a portal of consciousness and elevation can always be opened, because in them the Plan of God can gestate without the mind obstructing the Divine Thought.

My Heart is comforted in the young ones because all is possible to be realized within them, even more when there is an opening and they are without resistance.

With this freedom of souls that I reach, I can make prodigies not only in these consciousnesses but also in all of humanity.

My Heart is comforted and rejoices when the youth respond to the call because, in this way, I will always have permission to guide and accompany them.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Jesus Christ
