DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF NIAGARA-ON-THE-LAKE, ONTARIO, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While the priests throughout the whole world serve souls through the Sacraments, hearts are blessed by a special Grace that comes from the Heights through the office of the priest.

In addition, the more priests that carry on their sacramental life, the more My adversary loses a field of action and of perdition.

Each time a priest offers one of the Sacraments, hell closes even more and darkness trembles with awe and terror, because a soul achieves the light of redemption through the Sacraments.

It is in this way that all that My adversary does is expelled and dissolved in the sulphur lakes of hell, and it experiences a great defeat through the power of the descent of the Light of Christ through the priestly office.

This event has a larger repercussion and effect on days like today, in which many souls gather together to affirm their faith in Christ and in the redeeming legacy that My Son left you.

The abyss becomes paralyzed by the great moment of the Sacraments and Love triumphs again above all evil.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
