DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF NIAGARA-ON-THE-LAKE, ONTARIO, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Remain in My Peace so that you can achieve the joy of serving God. In My Peace there are no tribulations nor perdition.

Trust in the Peace that I, as your Mother, can give you in this time.

Let Peace enter into each part of your being; let Peace dwell in your cells and atoms.

In the Peace of the Mother of God, you will triumph and be the witness of an achieved spiritual redemption.

Let the Mantle of My Peace envelope you so that all your being may feel protected with the absolute trust that you are learning what you have to learn and living what you have to live.

May the Peace of My Heart enter into your heart so that your soul may feel the freedom of flying as high as the birds and arrive to the Celestial Divine Father to be in eternal communion with His Sacred Spirit.

Enter into My Peace and everything will change, because in My Peace lies the key that will open the door of your renewal.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
