DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED ON THE LAKE, ONTARIO, CANADÁ, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The inner light of redeemed priests will make it possible to attract toward the Earth the Consoling and Renewing Spirit, for in the surrender and in the service of the true and humble priests there will reign the fortitude of the peace and trust that devoted souls need in order to be renewed in Me.

The inner light of the priests can only be put out if the priest himself allows it.

To each I have given the authority to bless, give sacraments and serve those most in need of love and consolation for the sufferings in life.

In true priests of Christ there is no inertia nor inability of spirit. Through their own surrender, they renew all things, for I have granted this to them.

The inner light of the priests expels darkness, adversity and harassments from themselves and from those who suffer this captivity, because the spiritual Grace that I gave them allows them to represent Me and to recognize Me as their only Greater Priest.

The spirit of humble priests is persistence and, through that persistence, they can go through their own purification and redemption, surrendering to their Master all the things of the world so as to live in sublime realities.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
