**FIRST DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF NIAGARA-ON-THE-LAKE, ONTARIO, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

May the peace of God be in you.

It brings Me joy to share this new cycle with you. After the last eleven years, Your Heavenly Mother has managed to deepen into the task with the souls of humanity, much in need of consolation and love.

Over the course of the years, dear children, you learned about the school of daily prayer, and this granted merits before the Celestial Father and, in spite of how today's humanity is, this allowed Your Heavenly Mother to return for another cycle, to guide and lead each one of Her children along the path of redemption.

But now we are in the final cycle of all cycles. Everything, until now, was an important preparation and, at the same time, a path that led you to understand many of the Mysteries of God.

Now it is time for the rest of humanity to know the truth that dwells within each essence.

The time has come for humanity to abandon ignorance and awaken to divine reality. This is the purpose and the reason for the coming of Your Heavenly Mother in this new and last cycle.

Continue to pray, so that what should be built can be built and, in this way, the pillars will have been established so that My Son can return.

I love you and bless you all, and from here, I again say to you:

I thank you for responding to My call!

Your Mother Mary, Rose of Peace
