PRIVATE APPARITION OF MARY, ROSE OF PEACE, IN THE MUNICIPALITY OF MILLE-ISLES, QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

The Universe sympathizes with the whole planetary situation of these times. For this reason, it sends all the possible help so that souls can find the Portal of Healing and Liberation.

Thus, the whole Universe mobilizes itself as you could have never before imagined.

All the Universe is mobilizing itself to help humanity and so that humanity can become aware of the meaning of these times and of the moment that it is going through.

Therefore, the Hierarchy gathers together, in the different planes of consciousness, meditates, reflects and makes some consciousnesses of Earth participants in the Truth so that they can later communicate to the world that which truly happens and not that which is said elsewhere upon the Earth.

It is important, My children, to avail yourselves of true information so that your consciousnesses and the consciousnesses of your brothers and sisters may not be misguided.

Therefore, at this time, I invite you to use a fundamental ray, which is the ray of neutrality, so that nothing can surprise you, so that nothing can shake you and so that you may have wisdom, in each moment, in each test that will come, in each movement that will present itself.

By means of My Presence, today I bring you this movement of the Universe and of its Hierarchies so that you know that you are not alone, so that you know that we are supporting you and so that, at such an acute moment of the planet as this, you can make use of our spiritual Light, the Light that is made available by the Fount of the One Presence.

It is in this that you must place your consciousnesses, just as we, your Hierarchies, place our consciousnesses at the Feet of God; and we are filled, blessed and invaded by the Fount of Love and Wisdom, which is what humanity needs at the moment to learn how to make correct, not hasty decisions.

Thus, I want to teach you to avail yourselves of true knowledge that comes from the Source, which descends to all the Universes, planets, suns, stars and humanities, so that you may learn to raise your consciousness and your vibration at this planetary moment and so that you do not let yourselves be frightened nor disturbed by all that is said.

I am not telling you to be ommissive with what truly happens, but rather that you have discernment and wisdom to be able to decide and, above all, to understand.

These are the times, just as My Son has said, in which everything will be triggered and many, so many souls will learn, in an unexpected way, through the tests and through that which the planet will present as a state of consciousness and as nature, as a part of Creation.

The planetary birth is approaching and, so that the New Humanity and the New Human Being may be born, everything must be purified because you, as humanity, know that you have diverted from the Purpose and from the Law.

For this reason, I come here to the world to announce to you the Word of God and so that you remember the Mercy of the Father in His infinite universal manifestation, because this door to His Divine Mercy is still open, this door that many more souls can cross at this planetary moment, at which the rescue is necessary for all under the spirit of salvation.

But it is also the time for souls to be able to serve their fellow beings, to be able to relieve suffering, to be able to help those who do not have instruction, because the majority is not ready for what will come in a short time.

Therefore, we call you to permanent, uninterrupted and constant prayer for this moment, in which all souls need wisdom and discernment so that they can be guided and conducted along the right path.

As the Mother of Wisdom, today I pray for you; as the Mother of Healing, I intercede for you; because the difficult times will show many hard events, and it is important that you can be prepared and instructed for these moments, in which material life will be completely shaken, both in Heaven and on Earth, preparing the emergence of the New Humanity, which will no longer have personal power or decision, but rather will finally learn to live in adherence to the Will of the Father.

By not fulfilling the rules and the Commandments, sufferings arise, the human decay arises, inequality arises. But this will end, a new time will come, but not everyone will be in this new time.

Many must learn in other schools that which they have not learned so far, because the planet keeps suffering and agonizing, just as the Kingdoms of Nature keep suffering and agonizing, and the Father will put an end to so much wickedness and suffering.

Because the Father created you to be happy, joyful and to live in His Joy from the beginning.

Therefore, all will be reconfigured so that it may begin again, as it should have been fulfilled in the beginning and yet was not fulfilled.

I extend My arms toward you and offer you My hands so that you can firmly take them and, above all, I offer My Heart, so that you can be kept within Me and protected within Me for this cycle.

The time has come for your mature consciousness to manifest so that, in adulthood, you may assume this planetary school of the end of times, a school that you never lived and never experienced in any other time nor in any other epoch.

Therefore, all will be shaken, from the material to the spiritual, from the social to the religious, from the purest to the most impure, so that, finally, there will no longer be duality, but rather balance, peace and harmony.

With courage and bravery, may each one of My children live the calvary that God has given them and may they do it for humanity, just as My Son did, so that many more souls can be saved and can find the way out, the path of return towards the House of the Father.

Today I come with these words to make you conscious and not to frighten you. I come with this degree of instruction and knowledge, of truth and transparency, just as I have come in other times and in other Apparitions, when your Heavenly Mother has had to correct humanity and reprimand it.

This is the time and this is the definitive moment, My children, and you must keep this in mind. There is no longer room for superfluous life, there is no room for what is petty, for mediocrity, for indifference, for lack of love, for the lack of compassion.

This is the time when you must remake your lives under the Presence of God and of His Power so that you may be contemplated by His Mercy and by His Grace, and in this way you can also live the Plan of Rescue, that Plan that the Spiritual Hierarchy will carry forward in this time, in this cycle.

As the events develop in humanity and the nations live their tests, the Doors of the Universe are closing, because the moment of the Apocalypse has arrived, the end of time, for the beginning of the new time, because the moment of the Return of Christ is coming, and this moment will bring humanity a great change on a universal level.

I take the time to speak slowly to you so that you can memorize My Words and not forget them, because My task with you is ending and My children must be strong and firm to go through that which you must go through in the end of these times.

I, as the Mother of each one of you, will withdraw in prayer, as I am doing now, to pray for your salvation, conversion and redemption and so that, above all, open and surrendered, in spite of what may happen and take place in the world, you can receive Christ when He returns to the world.

You must finish drinking from the Fount of Knowledge and Instruction because all that was said throughout the years was not in vain, but rather for a just and greater cause that goes beyond your lives, consciousnesses and souls.

Benefit from what is being given, because you will need it in the culminating moment of the planet. It is through love for this Knowledge and love through prayer that we will be united, in spite of where each one may be at the moment of the great events. There, Peace and Light will not lack, so that you can decide with wisdom and discernment, and you may carry out everything God asks.

I leave you this message and I invite you to relive it and share it, because it is for all My children, regardless of religion, belief or race. All are My children.

This is the commitment that My Son, on the Cross, asked Me to live for each one of you, until the end of days.

May the Wisdom of God bless your consciousness and may this Wisdom bring you healing for the emergence of the new being and the New Humanity, free from the errors, traumas, sufferings and from evil.

May the Grace of My Maternity surround you and may the Supreme Will be fulfilled within you so that, in the unity of brothers and sisters and of a community, you may hold among you the sublime treasures of the Hierarchy to sustain the planet and humanity.

I bless you and I give you My Peace, the Peace that strengthens the spirit, the Peace that elevates the soul towards the Kingdoms of the Heavens, towards the Greater Life.

In the name of the Father, the Son and the Holy Spirit. Amen.

In an offering to God and in union with the Most Holy Mother, responding to Her request, we will pray for three times the prayer "Sacred Unity of God" so that His Unity, the Unity of the Father, the Son and the Holy Spirit may fill this moment and our souls with Its Light so that we may have the necessary strength to follow the paths of Christ.

Sacred Unity of God,

unify our lives,

unify our being,

unify us in profound fraternity.

Amen.

Thank you, Divine Mother, for all that you give us! Thank you, Lord, for all that you give us!

In this meeting, we honor You, Lord.

And under the blessing of Love of the Immaculate Heart of Mary: in the name of the Father, the Son and the Holy Spirit. Amen.
