DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MUNICIPALITY OF MILLE-ISLES, QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

After all the impulses delivered throughout this month and a half of the spiritual mission in the United States and Canada, the Hierarchy evaluated the results of the mission as efficient and grand and that, for the first time, in a region of the planet that condemned itself to experience different tests, the spiritual Hierarchy could carry out much more than had been expected and what had been foreseen.

For this reason, today is a day of profound gratitude, because, up until these times, Love has triumphed above all adversity and chaos.

With this message, I invite My companions to re-experience each moment shared with the Hierarchy in the different phases of the mission that was accomplished during this last month and a half.

In this sense, I wish that you could perceive, in essence, everything that happened, and to what point the Hierarchy could reach and concretize Its task.

In this way, My companions will learn to perceive as the Hierarchy perceives and will learn to discern how the Hierarchy lives discernment.

Each stage experienced in this mission of the United States and Canada was recorded within the Heart of the Hierarchy, and everything that happened will be the necessary impulse for experiencing the next period in North America.

Today, elevate your gratitude, and, in that gratitude, renew your vows to My Merciful Heart.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
