DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the Knowledge that comes from God touches your consciousness, allow it to reach your heart and be transformed into wisdom.

When the Knowledge that comes from God touches your consciousness, allow it to awaken within you that which was half asleep and forgetful of Higher Truth, of its origin, not only celestial but also cosmic, forgetful of the purpose of your life and the true goal of your soul.

This is the cycle of the revelation of Divine Knowledge, because for the Time of God to come to the world and reveal His hidden Kingdom on Earth, at least a part of humanity must be aware of this spiritual and subtle, planetary and divine Kingdom.

And so, allow the Knowledge that comes from God to transform, awaken and prepare you for the cycles that will come, in which your inner fortitude must be founded upon faith, as well as upon wisdom.

And when everything is fulfilled, your consciousness will be ready to enter into greater realities, into the Kingdom that transcends this world and which unites you with God.

You have My blessing for this.

The Most Chaste Saint Joseph
