

Saving Prayer to the Virgin of Guadalupe for the Indigenous Consciousness

*Prayer dedicated especially to the Indigenous Consciousness; to be prayed on [December 12th](#),
the date in which the Apparitions of the Virgin of Guadalupe in Mexico are celebrated.*

Dear Mother of all races,
Sacred Mirror of Divine Justice,
Virginal Chalice that pours out
upon us the Most Precious
Redeeming Blood of Christ.

We now beg of You,
with mind, soul and heart,
Mother and Queen of Guadalupe:
unite that which is separated between our consciousnesses,
liberate the human condition with Your celestial rays.

O Holy Mother of the New Race!
open the Doors to the Sacred Heart of God for us
so that, in the times to come,
all of humanity may see the Promised Land
be born for the absolute good of all.

In Glory to the Father, the Son and the Holy Spirit.

Amen.
