DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

To know the Universe and its mysteries is to enter into the depths of the Love of God for life; it is to understand that, with the same perfection of details with which the bodies of humankind and every creature on Earth were created, thus the Lord created His Mystical Body, formed by all life that dwells within the infinite.

Divine Wisdom, children, draws you closer to the Love of God, and in your hearts awakens a likeness to Him so that you may be co-creators in the vastness of life; so that you may recreate the infinite Creation of the Celestial Father, with Him and through Him, renewing all things.

Divine Wisdom shows you your place in the Universe, as well as in the Heart of God; it makes you knowledgeable of unity, not only as a virtue, but as a universal and cosmic Law that allows you to return to the Father.

Let knowledge transform you and lead you closer to God, in the awakening of His Love, in the experience of His Unity, in the living of His Grace, in the manifestation of His Purpose.

You have My blessing for this.

The Most Chaste Saint Joseph
