DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

It is when a soul works for Me from the heart and without obligation that it achieves extremely high degrees of love through their service.

It is in this way that the soul, through the service that it is selflessly giving, is freed from the errors and the faults that for some reason it may have committed.

Serving souls are the first that achieve spiritual happiness, and they not only cease to feel the lack of love in another, but are fully filled by the Love of God.

Thus, when you feel that you are not well or that you inwardly lack something, place yourself in service with all the strength of your heart; in this way, your being will expand in proportion to the love that you have given in each new service.

On the other hand, the soul that is most needy or always complains, this is because they have yet to give of themselves and surrender so as to feel free of themselves.

The key of these times is the giving of self.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
