**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

There are certain inner commitments of souls to Christ and, in spite of what may happen, these souls will not be able to disconnect from them; because a commitment to Christ is eternal and, as much as a soul, for some reason, does not fulfill it, that commitment remains latent and visible on the spiritual plane.

It is like a spiritual sign or mark that reminds that soul that it still has to fulfill its commitment.

I am making you aware of this because the commitment to Christ will never be transitory, even though the soul may desire to take other paths.

In the face of the Law, souls that have a commitment of redemption to Christ become marked, and on any level of consciousness it is known that this soul belongs to the Redeemer.

For this reason, in this critical and challenging time, I invite you to remember and affirm your commitment to Christ, for in this way you will be protected from yourselves and you will remain under the Law that governs you throughout your incarnation.

May this commitment to Christ give you the impulse to come out of yourselves and make you fully available for the entire great planetary need.

Let love allow you to value and revere the commitment that each one has with My Son.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
