DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MUNICIPALITY OF MILLE- ISLES, PROVINCE OF QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, may the purity and innocence that is held within you shine, and that through its attributes, your life may be transfigured.

Trust in the essential purity that exists within you and how it brought you to this time so that you may stand before God and respond to Him.

Thus, remember your origin and the history recorded in the stars.

Trust in the truth of your essential purity so that you may re-experience, in this time, that commitment marked with the Creator Father.

May the light of your purity ignite the essence of your soul so that you can always see the positive that exists beyond forms and appearances.

Find within you the flame of essential purity so that you may feel accompanied by the kind and loving Presence of the Celestial Father.

I thank you for having awareness of the existence of your essential purity in these times.

Who blesses you,

Your Mother Mary, Rose of Peace
