DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The greatest sorrow for God is not that His children become lost, but rather that His children consciously abandon Him and justify themselves with hundreds of reasons that in the majority of cases are not true.

It is thus that those who abandon God separate themselves from the Love of the Source and only live in the superficial love of the world.

Souls place their difficulties in what is external because they do not dare to look inward and find their inner problems. This is what makes the souls who abandon God suffer, time and again.

The unhappiness of these children is very great. Only an act of determination and, above all, of love, could reverse the pain that God feels for His children who abandon Him.

To be far from the Father is to place oneself against the Principles of Creation; it is to deny what one truly is; it is to blame when blame does not exist; it is to not recognize that something was not done in time.

These souls become exposed to the influences of the world and to its harassments, even though they may believe that they continue on united with God.

The soul that voluntarily separates from God loses everything, loses that which is spiritual and that which nurtured it to give it life.

I pray for those souls that, without awareness, made quick decisions. I pray for their inner nuclei to not be absorbed by all that is evil in what humanity does.

I pray for those who turned their backs on My Son.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
