**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

I thank you, from now on, for all the efforts that are being made by all My children in order to carry forward complying with the rules that the authorities of the countries are establishing, to be able to contain the current situation of humanity.

In these last few days, millions of My children were able to perceive how disconnected humanity has been, and how far it has been from God.

This moment of retreat helps each one of My children to stop for a moment and reconsider the life that each one leads.

But other children of Mine continue distracted with everything that is not evolutionary for their consciences. We must pray for them, day and night, so that they may have the Supreme Grace of awakening.

I am grateful for the spiritual initiative of the fasting and prayer given impulse by the Argentines; this shows that at least a part of the country understands the message that is coming through the occurrences.

It is the moment for looking inward into the self to find God and to pay attention to this planetary moment of a turning point, in which souls will have the opportunity for returning to the path of Light and Mercy that they had once abandoned.

May these networks of prayer and fasting which are being offered to the Eternal Father in these times give you the impulse to keep the doors of the Universe open so that all the possible Light, Love and Healing may descend upon humanity.

I will be in inner prayer together with My children of Argentina and the world.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
