DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In these times of transition, may your lives and consciousnesses spend more time in Christ so that, in Christ, you may be able to deepen into Compassionate Love. That Love which is capable of accepting these times, that Love of Christ is capable of forgiving and understanding.

It will be through this inner and spiritual deepening into Christ that your hearts will be filled with the attributes and merits that My Son once achieved and thus being impulsed by these divine merits, your souls will also transform and simply be able to achieve states of Christic Life.

The Christic Life is to live in the surrender of consciousness and in obedience to the Greater Will, just as your Heavenly Mother wholly lived that Will from the moment of the Annunciation of the incarnation of the Son of God.

This path of deepening that I invite you to live in Christ will help you to go through these moments, in which the fortitude and the science of the Holy Spirit will need to act in you so that the Divine Project of God may be fulfilled.

I am in prayer for this cause.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
