**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

It will be good for you to know, at this moment, that nothing of what will happen should be able to surprise you because each soul of this planet will experience the test it needs to be able to learn something in these times.

The tests that will come will not be punishments nor difficulties imposed by God, but rather schools that each soul must study in to be able to finish learning the basic lessons of life.

For this reason, all the love that you are able to express even in the smallest details will help all tests be more worthwhile and that, from each one of them, you may receive the learning you need to be able to grow in truth and in daily life.

Everything has its place and its space. Thus, each test that will come will forge the best that each soul has, but will also place it before the truth it needs to see and recognize in this time of important definitions.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
