DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I come to ask, dear children, that at this moment you be at peace and continue to pray the Holy Rosary every day so that the pandemic may end in the world, so that the souls most affected by this situation and the souls that live in marginalization and poverty may receive the help of Divine Providence, as well as the necessary salvation in this end time.

I come to ask, now more than ever, that you not lose faith and that you trust, because the Almighty and His Hosts of Light are intervening in this situation.

This is the cycle of solidarity and fraternity among the beings of humanity. It is the time for practicing equality of conditions and of sharing all that each one has, without holding anything back, because at the end of these times, solidarity and fraternity among souls will allow the whole human race to go through the purification of these times. Otherwise, those who keep everything for themselves will one day be lacking.

Thus, I call you to be conscious and loving in all of this.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
