DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

At the request of the Material Divine Plan, and in response to the Most Beloved Will of My Father, I want to announce to all My dear marathon participants that the next encounter of the 6th Marathon of Divine Mercy will have a special development, due to the anniversary of the daily messages.

I want to share with My own that only for this next marathon of January of 2014, there will be a special universal conjuncture in the spirit of the planet and in humanity; in which all of those who unite to the Spirit of the merciful prayer will receive an infinite opportunity of Graces and Blessings.

With joy in My Paternal Heart I will be reuniting all of those who pray ones, so that they may receive again My spiritual blessing, that which will permit them to take the steps towards the Fountain of My Heart.

Dear praying ones:

The 6th Marathon of the Divine Mercy will start at 6.30 AM, with the first 150 beads of the Chaplet, and will be extended until 11.00 AM. During this time there will be an important spiritual movement, in which we will work on the lifting of the souls that live in darkness.

The start of the Marathon in the first hours of the day will permit that those who pray may be willing to answer with their effort to My call for Mercy. The first part of the Marathon will last until 11.00 in the morning, with the permanent prayer that the marathon participants will live.

From 11.00 AM until before 3.00 PM, all the praying ones will have a time of retreat, of silence, and of recollection, so they may continue to accompany My Consciousness in the planetary task that the Merciful Christ will be realizing.

At 3.00, PM, the hour of the Divine Mercy, each marathon participant, wherever they may find themselves, will pray 33 beads of each one of the prayers of the Devotional of Mercy and will pray one time the prayers of the Powerful Novena to the Merciful Jesus Christ.

At 9:00 PM all the participants of the 6th Marathon, and at the Marian Centers, will realize a procession of candles in honor of the Sacred Heart of Jesus and for the consecration of South America to the Sacred Heart of Jesus. You will bring a banner with the image of the Merciful Christ and will sing joyfully so that this petition of the Master may be accomplished in humanity.

At the end of the procession, the last 150 beads of the Chaplet of the Divine Mercy will be prayed and, at ending of this prayer, all the devotees of Christ will wait for the Yearly Apparition of Jesus Christ, in which the year of the daily messages will be commemorated.

At this moment, all the steeples, bells, and bowls will sound in unison, announcing the arrival of the Master.

All of this spiritual exercise for the 5th of January, 2014 will be the same for 6th of January.

My Sacred Heart will close the Marathon, on the 6th of January, with an important task for those who are present.

I would like for these days the special presence of some of the members of the Marian Centers of the Child King, of the Holy Spirit, and of Figueira. In this way I will be able to reunite all under the Christic Spirit.

This 6th Marathon will be different from the ones before; My praying Companions must be prepared for a deeper task, since the Sacred Heart has received the permission of a greater approximation to the Marian Center of Aurora.

I will thank from now on the collaboration and the spirit of devotion and joy on the part of all.

Under the Eternal Love of God, be blessed.

Thank you for praying next to My Heart!

Christ Jesus of Mercy
