**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS**

Those who with joy pray to Me a mystery of the Holy Rosary by the Sacred Manger on the 24th of December and, in addition to that, ignite a candle of light, will be giving the universal permission of removing from eternal earthly suffering the souls that are the most desperate and that have condemned themselves to worldwide purgatory.

For this the 24th of December will be something more than a simple manger. If your hearts keep themselves united to My Precious Heart during this day, the Christic codes that are engraved in the Sacred Blood of Christ will also be deposited upon those hearts that may open to Me the inner door.

I wish during this day to reign among people and God because to the hearts that may receive Me humbly through the message of the manger, I will let them know My Sacred Gifts of Unity and of Redemption.

I invite you that, in truth, you prepare yourselves for this day. God has given Me the permission to consecrate again the hearts that are most separated from Me for some reason. On the 24th of December I will come to the world as a new star of the night, that which will shine in the inner firmament of each being.

Opening the doors of your inner dwellings, celebrate in God the Divine Mysteries of the birth of Christ. I will be thankful to the devoted souls for uniting themselves for an instant to My Greater Task, in this way the world will again be relieved by the action of My Divine Mercy.

Guard your lives in the Sacred Manger of the Lord Jesus.

Under the Greater Good of the Father, be blessed.

Thank you for celebrating with Me the birth of the Inner Christ!

Christ Jesus of Mercy

Prayer to be recited especially during the Christmas Eve of the Lord and at the end of the Holy Rosary of the 24th of December.
