DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My son and My daughter,

Never let a moment of daily prayer pass by.

Defend, from yourself, the fulfillment of prayers, because the Father, through this practice, will be able to transform you and thus transform the world.

In obedience, and, above all, with love, fulfill your daily liturgies, and thus you will be safeguarded and protected by the Holy Spirit, because the angels will accompany you and pour their Graces upon you so that you may always be blessed.

Commit yourself to daily prayer. Remember that you are not doing it just for yourself but also for the planet.

Prayer will keep your consciousness elevated and free from expectations.

In the simplicity of the heart, you will be accomplishing and living the designs of Christ.

Let prayer ennoble your being and your whole consciousness.

Open yourself so that, with each passing day, you may deepen into the mystery of prayer.

Make a prayerful life a part of you. The whole universe needs it.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
