DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Dedicate your life to God through prayer, each day more sincere, profound and truthful.

Dedicate your life to God through your actions and your conduct that, in a transparent way, may transmit peace, fraternity and love.

Dedicate your life to God through service in the small things of your daily life, for it is there that the bridge to the higher life is built.

Dedicate your life to God through knowledge and wisdom, knowing that the closer you come to Truth, the closer you come to your Creator Father, to your Origin.

Dedicate your life to God by seeking to fulfill His Will, not in great missions, but in the mission of life, in the mission of loving and understanding others, in the mission of tirelessly assisting and obeying, in the mission of supporting and taking care of those in need, in the mission of letting yourself be cared for and loved by your own brothers and sisters, in the mission of transforming lovelessness and human indifference in your own heart.

Thus, child, dedicate your entire life to God.

Your Father and Friend,

The Most Chaste Saint Joseph
