DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The Sacred Icon of Christ

The hearts who may venerate the Sacred icon of Christ, that is, the image of the Sacred and Glorified Heart of Jesus, will receive the special blessing of My Divine Mercy.

For this I ask that in all of the Centers of Prayer, especially at the Marian Center of Aurora, there be placed the image of the Sacred and Glorified Heart of Jesus, that which represents the Christic manifestation that occurred on the 5th of January of 2013 to the visionary Friar Elias.

The souls that during the 5th and 6th days of January of this year adore Me and venerate Me, will receive directly from My Heart the spiritual help that they may need.

For this one year ago I asked you to paint the image of the Sacred and Glorified Heart of Jesus in the way that I indicated. After a year of intensive work I ask for the presentation of this face in all of the Houses of Prayer.

The Sacred and Glorified Heart of Jesus complements the Merciful Christ. These two images that were given to humanity will serve as spiritual and inner help for all who may contemplate them.

See, through this request of the Sacred Icon of Christ, that there is a real need for the awakening of the new Christs. In this way the Plan of God will not be affected by any other human situation.

May this sacred icon be lovingly contemplated during the two important days of the Marathon of the Divine Mercy because this sacred icon will work on the inner and on the healing of the consciousnesses.

Seek through this icon the key for your redemption. Also, those hearts that may feel so may dedicate to Me some prayers in front of this sacred icon. I will receive them with joy and love. Good work for the worshippers.

Under the Love of God, be blessed.

Thank you for receiving My Love in your hearts!

Christ Jesus, the Sacred and Glorified Heart
