DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Remain at the foot of the Cross of the Redeemer so that you may understand where the Alliance between your heart and the Heart of Christ began to be sealed.

Remain at the foot of the Cross of the Redeemer so that there you may remember His call and know why today He calls upon you again, within the depths of your heart.

Remain at the foot of the Cross of the Redeemer, where there is no honor except that which is hidden in His Blood; where there is no glory except that which is held in the mystery of His Sacrifice.

And it is in this way, My child, at the foot of the Cross, that you will begin to understand the Will of God for yourself. He wants you there, always in adoration of His Heart, always united with His Sacrifice and following in His footsteps.

He wants you there, where you disappear and He shines; where the glory of the world fades away and leaves room for the Glory of God; where the anxiety for honor dissolves into the one need of justifying His Blood with the renewal of love in your own life.

Remain at the foot of the Cross of the Redeemer, and all your questions will be answered. You will know that the fear of the cross is in reality the fear of surrendering in madness, of losing this world to gain Infinity, of ceasing to be one in order to be All.

Remain at the foot of the Cross of the Redeemer, because the time has now come to fully resume what He had once began on Calvary.

You have My blessing for this.

The Most Chaste Saint Joseph
