DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

I know what it means to stop seeing Jesus because, after His Ascension, I still remained on Earth for many more years, awaiting the fulfillment of the eternal Will of the Father.

To stop seeing and feeling Jesus, even being My Son, was an unforgettable experience and feeling of emptiness for the Heavenly Mother. But in spite of that moment, Christ always reminded us that His Love for humanity was eternal, it would never change, because My Son came from the Father, and from the Father comes the Source of His Love.

A cycle now ends with My Son after many years of instruction and Graces. I understand that, as a Mother, the moment of the end of a stage causes souls to face the possibility of recognizing all that was received, word for word, and as from that point on, each soul has the Grace, in the next cycle, of living everything that it was taught.

Over the course of the ages, all those who were visionaries of the Apparitions of the Virgin or of Jesus experienced and went through this moment of it finalizing so that they could begin another stage.

I know that it is not easy for the visionaries to stop seeing the Son of God or His Heavenly Mother, but everything has a reason, since Our Sacred Hearts ardently wait for souls to apply the message itself in their lives. This will allow the gradual accomplishment of the Plan and the Will of God.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
