DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The protection of My Heart will always be upon My servers and I will not let anything that is not My Light touch them because I want for all of My Ones, holiness. In this way they will achieve eternal life.

Let Me today occupy Myself with your difficulties, surrender to Me that which you are. In this way I will be able to realize My Projects upon the Earth. Find Me in the silence of the heart, in the union of the soul with My Spirit. Remain in peace because if you are in Me, I will be always with you.

Under the Love of the Father, be blessed.

Thank you for invoking the protection of My Heart!

Christ Jesus
