DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Call at the door of My Heart and tell Me what you need.

Enter into My Spirit and surrender yourself in trust in the arms of My Love.

Find in My Heart the Sublime Flame that will illuminate your path. Persist without allowing yourself to be subjected to inner judgment.

Surrender all of the days what you are and I will be able to tell you what it is that I want from you.

Walk by My side taking to yourself My wise Hand, that which will indicate to you the path.

Live only in Me. Seek the answer only through Me.

I want that you be the light manifested for the path.

The peace for each heart in need.

In My Kingdom there is a place for you and in this place you will be able to feel safe because you will be within My Heart.

Submerge yourself in the river of My Love, I expect that you will do this every day.

I will wait for your perfect decision. I wait for you.

Under the Grace of God, be blessed.

Thank you for living in My Heart!

Christ Jesus
