DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear son, dear daughter,

Do you believe in the power of prayer? Have you perceived its different effects and phases?

Prayer possesses a power still unknown to human beings.

Let prayer reveal its transforming and redeeming power within you.

Submerge into the spiritual science of prayer so that you may perceive the action of its currents and rays.

This is the time for coming to know the powerful instrument of prayer so that souls may learn to be in communication with that which is divine.

Prayer reveals its elevation, its forgiveness, its reconciliation and its healing to you. Prayer can lead you to understand life and its meaning.

Let prayer transmute you and, at the same time, make you a participant in the Wisdom of God.

May the power of prayer inspire you to always find the meaning of each moment and time.

Prayer will make you free when you enter into communion with it.

Let prayer redeem your being and your consciousness. Establish the sublime temple of prayer within yourself so that it may resound in your being and thus, elevate your consciousness.

Persevere in this daily practice.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
