DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today I had the joy of listening to My children ask for the healing of humanity and for the end of the pandemic.

Let us trust that, through this first day of the novena, on the inner planes, the souls most in need have already been congregated by the love of the Saint Raphael the Archangel in order to be helped and alleviated.

Through the novena, those who pray will gradually enter into the different levels of planetary need, and their prayers and songs will be the bridge that will be built between Heaven and Earth, a bridge that the Saint Raphael the Archangel will use to reach the Earth and assist humanity.

Starting now, all the armies of the Saint Raphael the Archangel are preparing to reach the planet and begin to work on the inner planes during these next eight days.

The union and the adherence of the prayerful hearts strengthen the spirit of healing in humanity and, in this way, the planet is also alleviated.

As the Mother of all, I will be accompanying you in prayer and in supplication.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
