DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today the prayers to Saint Raphael the Archangel were placed as brilliant spheres of Light in different parts of the planet so that the powerful current of healing of the Archangel Raphael could potently descend upon those spaces.

Thus, the Light of the Archangel Raphael will begin to withdraw souls from imminent danger, and that Light will also reach all health professionals so that they may be protected.

Today, each prayer recited created spheres of Light, which were carried by the angelic armies to each place on Earth within the subtle planes, which will carry with them an attribute needed to be established and experienced by the human beings who are found in that place of the planet.

You will thus be able to comprehend how infinite and powerful is the effect of prayer from the heart, so that a simple but sincere prayer may generate in the inner planes this spiritual Grace.

I invite you to continue accompanying Saint Raphael the Archangel in this spiritual and planetary task.

I continue united with My praying children, devotees of Saint Raphael the Archangel.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
