DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Let your most sincere prayers not be for you, but rather for the world.

Let the clamor that emerges from your core not be for you, but rather for the souls that endure, for those who live in wars, for those who die in suffering and injustice, for assaulted children, for the mutilated Kingdoms, for the lonely and sick, for the abandoned elderly, for those who live without love.

Let your most sincere prayers not be for you, but rather for the world, for the deep consciousness of the planet in constant suffering, for those who experience abuse and violence, for those who do not know peace, for those lost in their own ignorance, for those who are blinded by their own illusion, for those who silence their souls so that the pleasures of the world may speak louder, for those who become lost in vices and cannot find the way out, for those who live without purpose and without meaning, for those who take their own life.

Let your most sincere prayers not be for you, but rather for the world, so that it may be healed and restored, so that it may return to God.

You have My blessing for this.

The Most Chaste Saint Joseph
