DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My dear soul,

Accept with joy all the efforts that I send for you to realize because in this way you will receive in Heaven the merits that God has to give to you. Empty your being from every opinion, live in the sublime sequence of My steps so that in this way you may find in each place the teaching that I want to reveal to you.

Soul of Mine, leave by My feet all your discouragements and look at Me directly in the eyes. In this way I will be able to tell you what will be the point that you must change within yourself. Do not allow that the sadness drags you as the strong current of a river. Detach yourself from that which for you seems to be better and surrender yourself in trust to My Will, because in obedience to the most small will be reflected the degree to which is found your consecration.

Come quickly to My arms and let Me act as I have predicted from the beginning. Soul of Mine, if in truth you want to listen to Me, open your eyes and observe the universe of messages that I send to you every day. Do not wish now to understand the reason of everything. Marry Sister Humility so that you may feel that nothing belongs to you.

Surrender all that you guard and control as a treasure. Before the glory of My Mercy the self-emptying counts for much in order to be able to begin a new path. I know that you expect that I appear in front of you and say to you: "Dear soul, I have been waiting for you for so long..."

Those who take the steps towards Christ will be the only ones that will encourage themselves to wear the new vestments of consecration. But still, your vestment is guarded in the closet of Heaven, waiting for your soul to take the final yes, to afterwards be able to sing in glory and joy its consecration.

I have warned you in various ways. Remain attentive and you will perceive that which I tell you. All of the souls are precious and potential outflowings of My Love.

Under the Light of God, be blessed.

Thank you for remaining in My Heart!

Christ Jesus
