**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS**

Dear soul,

Seek in your earthly journey the signs that I indicate to you day and night because all of them will lead you to find the path of perfection.

Remain attentive, Soul of Mine, and let that My Voice reverberate in the depths of your heart. In this way you will quickly find the keys to open the doors of redemption.

Do not allow, Soul of Mine, that rivalries may take place in your consciousness. Live through My Peace and build always a Castle of Love for others.

Today I give you, dear soul, My Discernment, the inner capacity for you to begin to understand all of the greater things.

Under the Love of God, be blessed.

Thank you for remaining in My Heart!

Christ Jesus
