DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE CITY OF LONDRINA, PARANÁ, BRAZIL, DURING THE 5th MARATHON OF THE DIVINE MERCY TO THE VISIONARY FRIAR ELÍAS

My Brothers and Sisters of the of Path,

Today I come with the aspiration that in your lives your steps towards My Heart will be true and pure as the water that springs from My Side out of love for the world.

This purity you will reach only when you exercise the impersonal observation of your smallest actions. In this way you will soon know whenever you commit an indifferent and impure action or whenever you realize a work of love.

Imagine for a moment how many impure acts stain My souls every day! For this, that soul which works consciously with My Divine Mercy will be helped to exercise good and loving actions for the others.

You know that the world is crossing a great inner storm, even though, beyond it, My solar Rays, those that spring from My Pious Heart, go through this tempest that the souls live to help them to resuscitate the life of spirit and the deep love for God.

There is nothing more divine than the love between brothers and sisters, this true and pure love that heals and closes the wounds of the heart of each being. It was love that I taught since the beginning to My Apostles and today I remind you of this premise as an exercise for your inner consciousness.

The Love that comes from God is invincible, it is marvelous and magnificent. Seek every day this Love that comes from God and in this way you will be able to overcome the obstacles that the world now imposes on you.

But do not forget My friends, that the world, your precious and punished house, that which was created by God, needs your urgent help. I know that you will not be able to do great things, for this first begin with simple and true actions, actions that spring from the love of the heart and that allow the reconciliation and uniting all of the creatures.

To humanity has come the time to get out from ignorance and to see in this time what will be necessary to change in order to reach the Greater Kingdom.

I thank on this day all of Londrina for having accomplished My Call because I have returned to your hearts in order to heal them and to renew them. I need your hands to donate to Me. I need your feet to be able to walk by means of you towards My lost Children. I need a space in your hearts to activate once again the faith and the love for God, Your Lord.

Thank you for seeking always My Heart.

Under the Greater Good that comes from God, be blessed.

Thank you for remaining united as only one to My Humble Heart!

Christ Jesus, Your Shepherd
