DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

What are you waiting for, My soul, to surrender yourself to My Gifts?

Allow the Perpetual Love that springs from My Heart to flood you until the point in which you feel an ardent devotion for My Being.

Walk by My side, confident that you are taking the steps towards God. Forget all that oppresses your heart and elevate your consciousness towards My Inner Kingdom.

The one who seeks the Heavens is the soul that unites itself to the Source of Love. If you have already espoused Me, then allow Your Faithful Spouse to shelter and guide you through the path of the purpose. During the night, remain within My arms and feel the complete security that you will always be well, despite the circumstances.

Seek Me always, feel observed, My soul, by the sweet Eyes of Your beloved and faithful Lord. Accept that it is now time to begin a new cycle, a cycle that will be radiated by My Celestial Graces.

Come close to Me, no longer be afraid to tell Me how many times you have fallen by My side. Look, carefully, Your Companion is extending His hand to lift you up. Pour your tears of light upon My chest, feel the supreme heat of My Compassion and let the past be flooded with healing and forgiveness.

See the Great Star in the firmament of the night, it is showing you the brightness of My Divine Mercy.

O, My soul! You have stopped being tempted by the world to become like a flower in My Eternal Garden.

For this, I will always thank you for having abandoned yourself to the loving passion of My Arms because you have already entered into the trust of My Heart. Spouse Soul, live the joy of the great encounter and go ahead so that you may be able to reach My Eternity.

Under the Light of the Father, be blessed.

Thank you for abandoning yourself in trust to My Heart!

Christ Jesus
