DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

On this eighth day of prayer and through the song that was offered at the beginning of the spiritual exercise, the powerful Archangel Raphael reached very compromised spaces where souls and hearts suffer without the possibility of finding Light.

That moment of the offering of the first song was culminating because the souls in need, especially the souls in agony, were freed and taken to the great Lakes of creative Restoration so that they could receive an opportunity.

During the course of the Powerful Novena to the Saint Raphael the Archangel, the Angelic Hierarchy treated different situations present upon the planet that were compromising the awakening of spiritual life and the giving of self.

By means of the novena, the healing angels of Saint Raphael the Archangel also helped in different hospitals and spaces which, at this moment, have collapsed through the demands and the need for assistance.

In this way, a divine inspiration and a spiritual power of faith was placed in the doctors, nurses and health assistants so that they would be able to face this moment.

The angels will remain accompanying each of the health workers so that they may feel the Presence of God in their hearts and in their lives.

May those who believe without having seen be blessed.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
