DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When the time for Mercy comes, may your heart be ready, just as the Heart of your Lord is ready to pour out Blood and Water upon the world and into the depths of the most sinful, lost and lonely souls, the most deceived and distant from Divine Truth.

Feel within yourself the need to overcome limits, tiredness, harassment or even those most important commitments of yours, so that, for an instant, your heart may contemplate in Heaven the wounded Heart of the Lord, overcoming Himself throughout the centuries, re-experiencing His surrender, renewing His Love; and then, child, beyond the Heart of Christ, may you find the Heart of the Celestial Father, attentive to each sacrifice of the Lord.

May your prayers point to Christ and, by the merits of this perpetual surrender, cry out for humanity, for the Kingdoms and for the most lost souls.

If your heart contemplates the Heart of Christ and offers It to God with love, the Lord then receives permission from His Father to pour out His Mercy upon the world.

But the yes of humanity is needed. It is necessary that you cry out and ask, that you pray and surrender before all the Graces that descend from Heaven; thus, they may enter deeply into each being and transform them.

You have My blessing for this.

The Most Chaste Saint Joseph
