DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

After nine days of prayer to the Saint Raphael the Archangel, on this day and through the 1000 Hail Marys, your Heavenly Mother completed another stage in the spiritual mission of assistance to humanity.

With each Hail Mary done from the heart, at this moment, one more soul receives the opportunity of being free of their spiritual and material captivity. In this way, My Maternal and Immaculate Heart triumphs in the life of those who turn to God in these times.

Through the 1000 Hail Marys, the Celestial Hierarchy also intercedes for those who are unprotected and submerged in material misery, an effect of inequality and the culture of discard.

It is for this reason, beloved children, that your prayers reach Heaven and all those intentions change into Graces and into expiation for those who really suffer the consequences of these times.

In these hours, while the 1000 Hail Marys take place, the Eternal Father contemplates the effort and the dedication of His children, at a planetary moment in which only faith and hope will be able to change the current destiny of the whole race.

It is in this way that the meeting of today prepares you for the events that will take place during the month of May. Moments in which the Hierarchy will give more impulses and instructions so that in 2020, souls may finish their training in this school of transition of the times and the cycles.

I again give thanks for the adherence of those who prayed today with Me for peace and the healing of humanity in need.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
