DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When you have no strength, offer God your weaknesses, your human feebleness, your smallness.

When your heart seems empty, offer God this space, so that it may be Him, and not the world, who fills this emptiness within you.

When your song has been muted, offer God your silence and pray with your thought, so that it may be Him, and not the world, who fills your mind.

When your body is tired, offer God the steps taken, all the service experienced and each merit attained, and perceive, in this way, My child, that there is always something to offer your Creator, the One who awaits, not only for your triumph, but for your whole being, from smallness to greatness, from what you know to what is still a mystery to you; place everything in the Hands of God.

You have my blessing for this.

The Most Chaste Saint Joseph
