DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

When hearts unite in a sincere clamor, they unite Heaven and Earth and, like a fountain of light, Grace and Divine Mercy descend, washing and purifying all that was dark, lost, separated from God and His Laws.

When humanity unites to manifest a Celestial Purpose and their hearts are truly in unity and love for God, all Creation contemplates the Earth because the Light of the Infinite, of the deepest Love of the Creator for life, emerges from His Sacred Heart and crosses the dimensions, reaching the Earth.

This is how not only sick bodies are healed but sick hearts, souls and spirits also receive healing.

Those who had their essences lost in the abysses of the world also receive help. Those who cried because they had no hope are relieved. Those who suffered from the injustices and imbalances of the world receive a ray of peace in the depths of their hearts.

Every time humanity prays more deeply, the deeper is the reach of the Grace and Mercy of the Creator; the deeper are the levels of the planetary consciousness where His Love can reach, because His children have opened the doors to Him, they have said yes to Him.

Prayer is the great door towards the redemption of the world, it is the path through which Divine Laws come to help this corrupt planet and make it return to the Thought of God.

The hearts of humanity do not know the power of prayer, but today I tell you, children: pray, and do not stop praying with sincerity and truth because this is how you will unite the times, heal the essences and walk along the path of return to God.

You have My blessing for this

The Most Chaste Saint Joseph
