DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Never forget the power that Faith has. It is like a flame that illuminates the end of these times.

Faith is a higher principle that can support you and keep you in direct contact with God.

Faith is unchangeable and not fleeting. Its foundations come from the Holy Spirit and it acts on all levels of the being.

Faith is cultivated by prayer, which awakens Faith and trust in what is spiritual and invisible.

In Faith, there are important aspects that lead you into finding charity, solidarity, harmony, fraternity and compassion, among other inner principles that make of a person a consciousness capable of recognizing the Grace that brings about Faith, and the opportunity for the being to become reconciled through Faith with themselves and with the universe.

For this reason, Faith is a powerful stream that never ends, because it is not something that happens only once, Faith is something never-ending. The soul can be in communion with Faith each day of their lives.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
