DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

When you surrender your life to Me I can fully transmute all of your being, but when you hold suspicion of some things, My Redeeming Light stays outside your dwelling place.

How will I be able to know that which you need, if you keep the door closed to your deep fears?

The one who fully trusts in Me will lose nothing, I will always give them the key so that they may open the right door. When you make repetitive mistakes, you must have the consciousness that you are human, frail, feeble, and exposed too many influences; when in truth you appeal to My Presence every day, I will be able to act through your little heart.

In this time My disciples will be in the face of their own spiritual and moral fears. I ask you that, despite your doubts and constant faults, do not stop appealing to My Heart; know that since the beginning of My Birth in the world, the Father has given Me the authority to liberate you and to redeem you.

The path that I offer you is divine, but will always be full of tests and renunciation, and even if your souls are not ready to face them, I will present to you unusual challenges that will cause you to mature and to grow.

I only ask you to not lose the sincerity that you have constructed with My Heart; today I want that your esteem be raised from below, and that you may smile to life, to the coming of My Divine Mercy. I will always listen to you, do not be afraid of showing yourselves before Me as you are, I need transparent sinners and wandering souls, the ones who want to live with Me a new life full of redemption and peace.

Under the Grace of the Father, be blessed.

I give absolution to you always, in the name of the Father, of the Son and of the Holy Spirit.

Thank you for redeeming yourself before My Humble Heart!

Christ Jesus
