**DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

**Poems to the Immaculate Heart of Mary  
Sixteenth Poem**

Beloved Mother of the World,  
free us from the errors  
we may have committed.

Give us strength and spiritual resolve  
to be able to redeem and transcend  
our human aspects.

Do not allow, Holy Virgin,  
those errors to be fed  
by more errors and failures.

Cut, with Your powerful Sword,  
the ties with the adversity.

Protect our souls, Divine Lady.

Wrap us in Your invisible Mantle of Light  
so that, united to You,  
we may represent the apostles  
of Christ on Earth.

Universal Mother,  
deposit within our consciousness  
Your thirteen attributes  
so that we may be able to apply them  
in our daily lives as an example  
of transformation and conversion.

Holy Mother, do not allow  
illusion and deceit  
to blind our eyes.

Allow us and help us  
to always see the truth  
so that our steps may reach Christ,  
and there, being able to enter into spiritual communion,

we will thank You and honor You  
as our eternal and loving  
Mother of Peace.

Break the chains  
of the past within us  
so that our souls  
may walk in freedom toward  
the House of the Celestial Father.

Take us, Divine Mother,  
before the eternal altar  
of the consecration of life.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
